

Coravin® Timeless Three+

The Coravin® Timeless Three+ pack-out contains everything you need to enhance your wine experience. Featuring a moulded all-black architecture, the Three System is a perfect introduction to our Timeless Wine Preservation Systems, allowing you to preserve still wines for weeks, months, or even years.

Includes Timeless Three Black System,
2 Coravin Pure™ Capsules,
2 Coravin Screw Caps, and 1 Aerator.

Your last glass
will taste just
as amazing
as your first.

Never Remove the Cork

Patented technology ensures you can enjoy a glass of wine and preserve what is left in the bottle.

Unmatched Preservation

Whether your favourite wines are closed with cork or screw cap, enjoy them over weeks, months, or even years.

Premium Accessories

Enhance your wine experience with the premium accessories included with the Timeless Three+. Coravin Screw Caps expand the range of bottles you can enjoy with your System, while the Aerator accessory delivers a silkier, smoother glass of wine as you pour.

Aerator Attachment

Pouring with the Coravin Timeless Aerator, included with the Timeless Three+, delivers a more flavourful, aromatic wine in seconds, equivalent to decanting for 60–90 minutes.

Durable Screw Cap

The Coravin Screw Cap accessory, included with the Timeless Three+, allows wine lovers to preserve most screw top bottles for up to 3 months.

Easy On/Off with SmartClamps™

The SmartClamps™ automatically adjust to the bottle neck, ensuring a solid fit. To remove, simply pull straight up and off the bottle.

Coravin Pure™ Capsules

100% ultra-pure Argon gas powers the System and preserves your wine.

Coravin Pivot™

Extend the life of your everyday wines with the Coravin® Pivot™ Wine Preservation System. The ingenious combination of the Pivot™ Stopper and Device keeps the remaining bottle fresh for up to 4 weeks. Choose between two different bundles:

Pivot: Includes 2 Pivot™ Stoppers and 1 Coravin Pure™ Capsule

Pivot+: Includes 2 Pivot™ Stoppers, 2 Coravin Pure™ Capsules, and 1 Pivot™ Aerator

Fresh for up to 4 Weeks

The Pivot™ System replaces poured wine with 100% pure Argon gas to prevent oxygen from entering the bottle, perfectly preserving the remaining wine so the last glass is just as amazing as the first, even weeks later.

The Right Fit for Any Bottle

The Pivot™ Stopper provides an airtight seal on your favourite wines, allowing wine lovers to enjoy just as much wine as they desire, without the pressure to finish or waste the bottle.

Ergonomic Handle

The comfortable Handle has an intuitive loop for your finger, and a button to quickly pour your favourite wine.

Aerator Included with Pivot™+

The new Pivot™ Aerator attachment creates results equivalent to decanting wine for approximately 60 to 90 minutes.

Coravin Pure™ Capsules

100% pure Argon gas powers the System and preserves your wine.

Air-tight Stopper

The Stoppers are built with silicone rings, designed to create air-tight seals inside most bottles. Close the Cap to protect the remaining wine from oxidation.

CORAVIN PURE™ CAPSULES

Premium Coravin Pure™ Capsules are the secret to savoring a glass without finishing the bottle. Filled with 100% pure argon gas, Coravin Capsules are manufactured to the highest standards in Austria, specifically for Coravin. The unique capsule system protects against oxidation, preserving the life and flavor of your wine. Each Capsule can pour up to 15 glasses of wine so you can enjoy your favorite bottle, glass after glass, over time.

Peace of mind
for every pour.

EXTEND THE LIFE OF YOUR WINE

Filled with 100% pure argon gas (the same gas winemakers use), the Coravin Capsule system protects your wine without affecting its taste.

MULTI-GLASS CAPACITY

Each Capsule goes a long way, pouring up to 15 five-ounce glasses of wine.

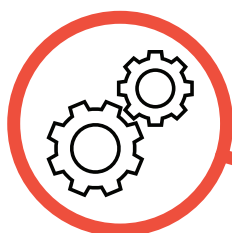

SIMPLY NO SUBSTITUTE

Manufactured in Austria, Coravin Capsules are produced with the most exacting deep-cleaning techniques, far exceeding food-grade standards.

PURE PERFORMANCE

Patented cap and seal technology ensures Coravin Pure Capsules fit perfectly with our Systems' safety mechanisms and will not leak, providing a perfect pour and peace of mind, every time.

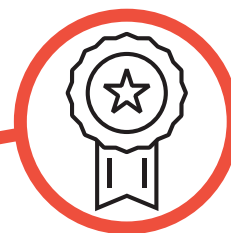

PURE MANUFACTURING

Coravin Pure Capsules go through a proprietary, two stage deep cleaning process and are filled in a medical standard environment to guarantee purity from start to finish.

PURE ARGON

100% ultra-pure, medical grade Argon 5.0 is certified at its origin specifically for Coravin Pure Capsules.

PURE QUALITY

Each Coravin Pure Capsule is required to pass a multi-point, post manufacturing sensory inspection. This ensures the highest level of preservation and no impact to the taste of your wine.

A Guide to **CORAVIN** **NEEDLES**

Precision Coravin Needles pour wine smoothly and quickly so you can savor your glass right away. These high-grade Needles are so gentle that they enable natural cork to instantly seal again upon removal. Coravin Needles come in various diameters and styles to meet all your wine needs. Each needle is made of durable stainless steel and are non-stick coated to make sure that the wine keeps on flowing, glass after glass.

Precision Coravin
Needles for the
perfect pour

LITTLE NEEDLES THAT MAKE A BIG DIFFERENCE

Each Needle is designed to easily pass through natural cork, creating a path small enough to heal so that once removed, the cork will continue to preserve your wine.

THE RIGHT NEEDLE FOR YOU

The Standard, Fast Pour, Vintage Cork, Premium, and Model Eleven Needles ensure that you'll have the right one on hand for your System and any bottle.

MULTI-GLASS CAPACITY

Each Needle is crafted from non-stick-coated, surgical stainless steel and lasts for hundreds of pours.

Delivered **then sealed.**

SMART GRIP

Change Needles with ease, thanks to the smart textured grip atop each needle.

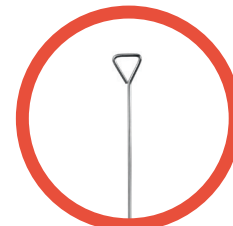

COLOR-CODED TOPS

Each textured grip is color-coded: silver for Vintage Cork, black for Standard, red for Fast Pour, gold for Premium, and blue for Model Eleven.

ULTRA-THIN WALLS

Each needle has an easy-pour gauge and thin walls, for the smoothest, quickest pour possible.

CLEANING TOOL

Cleaning tools are included with each Needle to help you remove occasional excess cork.

Coravin Aerator

Softer, silkier, more aromatic wines are now instantly available by the glass.

The Coravin® Aerator, used with your Coravin Wine Preservation System, enhances your wine experience by immediately mixing the right amount of air with the wine as you pour. This lets your glass of wine breathe without lengthy decanting, ensuring the rest of the bottle remains perfectly preserved.

**Breathe more
life into wines
by the glass.**

Engineered for performance

Constructed from premium materials and featuring stainless steel accents, the Aerator uses 30 carefully placed and sized holes maximising wines' contact with air.

Better Tasting Wine by the Glass

Thin streams of wine are exposed quickly to air, producing similar results to decanting. This process yields smoother, more aromatic wines.

Compatible Across the Coravin Line

Fits securely on the spout of all Coravin Wine Preservation Systems to aerate any amount of wine. Simply press on and pour!

**Coravin Compatible**

The Aerator fits securely on any Coravin System, so you can aerate any wine, any time!

**Silky, Smooth Wine**

The Aerator quickly exposes thin streams of wine to air, creating results equivalent to decanting wine for approximately 60 to 90 minutes.

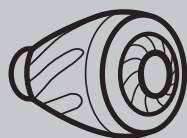

**Shine and Wine**

The Aerator is constructed from premium materials, featuring stainless steel accents—perfect for the stylish wine lover.

**Unique Design**
